

TERRA-FIRST SOLUTIONS LTD.

Health and Safety Policy

Terra-First Solutions Ltd is committed to providing a safe and healthy workplace for all our employees and contractors.

Terra-First Solutions Ltd believes that all injuries are preventable and that excellence in health and safety is the key to our long term success

Management and supervisors will train all personnel in safe work procedures and hazard identification.

Management and supervisors will lead and demonstrate safety by example, and will ensure that the personnel that they are responsible for have the necessary knowledge to work safely.

Terra-First Solutions Ltd will hold all levels of management accountable for providing a safe work environment and enforcing safe work procedures and practices. We will also ensure timely follow-up to safety incidents.

Terra-First Solutions Ltd will hold all employees and contractors accountable for following safe work procedures and reporting unsafe acts and safety incidents.

Employees from every area of the company, regardless of position, will be encouraged to contribute to the company health and safety program. Terra-First Solutions Ltd encourages the involvement of all workers in the development of the program. We will provide support and promote the program to ensure that safety has the overriding priority.

Employee cooperation and compliance with the health and safety program at Terra-First Solutions Ltd is a condition of employment.

Terra-First Solutions Ltd is committed to compliance with all required governmental health and safety agencies, laws and regulations. Terra-First Solutions Ltd will stay abreast of and meet industry best practices and will use audits to measure and improve our health and safety programs.

We will monitor our health and safety program and share our results on a regular basis.
